

Log Kits

Nothing says elegance and luxury like custom log houses. When you approach a person's home, and you're met by the brilliance of wood, you know you're entering into a home of taste and refinement. This style of home has been popular among families who live in the mountains, but now you don't have to be "a mountain family" to have your very own log houses and log kits. The fine craftsmen of Pioneer Log Homes of BC can build you a home and provide log kits, for a price that is not as high as the quality. Pioneer Log Homes of BC has the answers you're looking for when it comes to custom log kits and log homes. You see too many McMansions these days that all look alike and lack the taste and refinement that they need.
