

LEAD HAND LOG HOME BUILDER/TIMBERFRAMER

Pioneer Log Homes of British Columbia Ltd. is seeking 2 (two) full-time employees to fill the position of **Lead Hand Log Home Builder** in Williams Lake, BC. Our ideal candidates will have strong construction backgrounds with specific experience in European joinery, and heavy timber framing.

Accountabilities:

As a lead hand, you are responsible for supporting supervisors in the management of site projects along with the following tasks;

- Joinery - including measuring, scribing, cutting, shaping, and assembly
- Timber framing
- Reading and interpreting blueprints, drawings, and sketches to determine specifications and calculate requirements
- Building intricate stair systems, roof systems, and other decorative features
- Preparing layouts ensuring compliance with building codes
- Cutting door and window openings - including skylights
- Dismantling log structures for shipping
- Re-assembly of log structures at customer's site – travel as required
- Safe operation of chainsaw, power tools, timber shed machinery, and hand tools
- Liaising with customers as required
- Work at heights
- Overseeing junior carpenters and apprentices

Knowledge, Skills & Abilities

- Log home builder with minimum 5 years' industry experience
- Knowledgeable in full scribe, post and beam, and timber frame home construction
- Knowledge of European building systems
- Journeyman Carpentry trade certificate (or equivalent)
- Minimum 2 years' experience in a supervisory role
- Ability to speak, understand, and communicate in English, including the reading of blue prints
- Tower Crane, Forklift, Fall Arrest, and/or First Aid tickets all considered to be of an asset
- Ability to speak, understand, and communicate in Swiss-German, German, and/or French considered an asset

Wage: \$25.00/hour
